

Dear nursery teacher,

BAfEP expects students to apply for a placement at a nursery for two weeks (30 hours/week) in order to complete their practical training.

With this signature, you confirm to support the student in his/her practical work with the children.

First and last name of the student:

Email:

Phone Number:

Signature of the student:

Your signature is regarded as a binding confirmation. We thank you for your help with the practical education of our student.

Please return the section below to the school.

The practical training is going to take place from:
